

## RETIREMENT OF ÁINE REYNOLDS

Back in September '82

We first had the pleasure of meeting you  
When you took our eldest through the door  
And poor old mothers were feeling sore.

But the years roll on one by one  
A new beginning for each daughter or son  
You taught, you guided and nursed each fall  
And today we say "thank you" from one and all.

To you Miss Reynolds each one was special  
In all they did, they had your blessing  
So good-bye, good luck from everyone here  
Deep down in our hearts you'll always be near.

Poem was written by Marcella Conboy, Aughnaglace, Aughavas. Marcella and George Conboy have a family of seven, three girls and four boys. All are past pupils of Miss Reynolds who retired recently as principal and infant teacher of Aughavas School.
